# Undergraduate - Graduate Program

## European Languages and Cultures B.A.

### College of Humanities and Social Sciences

**Contact:** Donald Holman, Ph.D., Chair

**Location:** Candelaria 0190

**Telephone:** 970.351.3698

**Website:** [www.unco.edu/hss/world-languages-cultures](http://www.unco.edu/hss/world-languages-cultures)

### Advising Information:

Students must consult with their assigned major advisor each semester prior to registering.

Assigned advisor is available through the Ursa login; [ursa.unco.edu](http://ursa.unco.edu); under Student tab Academic Profile channel and is term specific. If no advisor is listed, contact the major program for advisor information.

### The program consists of four parts:

1. Liberal Arts Core (LAC) Credits
2. Required Major Credits
3. Required Minor Credits
4. University-Wide Credits

### Program Description:

The program in European Languages and Cultures prepares individuals to have an in-depth understanding of one or more European nations and their language(s), as well as broad understanding of Europe as a region. This program balances appreciation for cultural commonalities, which constitute a sense of shared identity in the European Community, with a nuanced sense of the continent's linguistic, ethnic, and cultural diversity. Objects of study include the languages, history, literatures, arts, and cultures of Europe. Upon completing this program of study, students will have a general appreciation for the continent's cultural legacy, as well as the linguistic and intercultural competence to work effectively, either in Europe or with Europeans, in such professional domains as international business, bilingual education, the foreign service, or international NGOs.

The program fosters knowledge of European perspectives and issues from their origins in the past to the 21st century. Courses in French, German, or Spanish prepare students with the linguistic competence to engage native speakers in Western or Central Europe. Elective courses in European Culture Studies (EUR), English (ENG), history (HIST), and political science (PSCI) permit students to tailor their degree program with the particular knowledge and skills they need, either for graduate study or for their chosen career.

### Program Admission Requirements:

Academic Good Standing.

### Program Requirements:

- Students must select either a minor or a second major with advisor approval. A minor in a second European language is strongly recommended.
- In accordance with University Policies, coursework earned more than 10 years prior to the date of matriculation to UNC may not be used to satisfy any major or minor requirements. Any exception to this policy is at the discretion of the academic program.

Students must demonstrate their language and cultural proficiency by meeting the following criteria:

- At least 36 credit hours in courses related to European languages and cultures.
- Minimum GPA of 2.0 in all courses required for major.
- Achieving in an Oral Proficiency Interview (OPI) at least Intermediate level proficiency in one European language, according to the ACTFL guidelines.
- Demonstration in research papers that they can bring an informed perspective to bear in the critical analysis of European cultural issues.

### Program Recommendations:

Students are encouraged to choose a minor or second major, either in another European language, or in a discipline that prepares them to apply their language and intercultural skills to an international career. Examples of second majors and minors that pair well with European Languages and Cultures include a second European language (French, German, Spanish), Business Administration, History, International Affairs, Music, Political Science, Teaching English as a Second Language (TESL), and Recreation, Tourism and Hospitality.

The BA program in European Languages and Cultures is also open to transfer students who come to the University of Northern Colorado with substantial prior credits in a European language not taught at UNC, such as Czech, Italian, or Russian. Beyond that, language requirements for the degree may also be satisfied through a study abroad experience at one of UNC's partner universities in Europe, as long as the credits add up to 18 in the same language.

# Master's Degree Program Admission

Each applicant to a master's degree program must:

1. Possess a baccalaureate degree from a regionally accredited college or university.
2. Have a grade point average of 3.00 or better, on a 4.00 point scale, from the most recent degree earned or current degree in progress. If a master's degree is in progress, a minimum of 18 credit hours must be completed for the GPA of the master's degree to be used, otherwise the GPA from the bachelor's degree will be used. Applicants admitted based on the requirement to complete a degree in progress must still provide an official transcript within the first semester of enrollment at UNC showing their degree conferred and a GPA of at least 3.0. If the transcript showing degree conferred reports a cumulative GPA less than 3.0, requirements defined by the program will be added to the student's admission, just as they are for any admit with a GPA below 3.0.

Master's degree applicants must take the following steps to be considered for admissions:

1. Complete the online applications and pay the non-refundable application fee.
2. Request one official transcript from any accredited college or university where a bachelor's degree or higher was earned or is in progress (if you have earned multiple degrees, bachelor's level or higher, an official transcript is required from each college or university where a degree was conferred). If you received a degree from UNC, you do not need to request a transcript from UNC. The Graduate School & International Admissions Office reserves the right to request that applicants provide official transcripts from other colleges or universities as needed. Applicants who have earned or are directly pursuing a higher degree from an accredited institution without receiving a bachelor's degree (e.g. PharmD) may be eligible to apply to the Graduate School without the conferral of a bachelor's degree. If an applicant intends to use Veteran's Education Benefits, an official transcript from all colleges or universities attended will be required in order to maintain compliance with Veteran's Affairs policies.

Official transcripts from U.S. institutions should be sent via mail directly from the educational institution in an unopened, sealed envelope or through an electronically secure digital program from the issuing institution.

Mailed transcripts should be sent to:  
Graduate School and International Admissions  
University of Northern Colorado  
Campus Box 135  
501 20th Street  
Greeley, CO 80639

Electronic transcripts from U.S. institutions should be sent directly from the educational institution to:  
[grad.applicationmaterials@unco.edu](mailto:grad.applicationmaterials@unco.edu).

The Graduate School and International Admissions does not accept email, scanned, or PDF transcripts directly from applicants. All official transcripts, submitted as part of the application process, are retained by UNC and not returned to applicants or admitted students.

# Specialist Admission

Specialist degree program applicants must possess a baccalaureate degree from a regionally accredited college or university and have a grade point average of 3.00 or better, on a 4.00 point scale, from the most recent degree earned or current degree in progress. If a master's degree is in progress, a minimum of 18 credit hours must be completed for the GPA of the master's degree to be used, otherwise the GPA from the bachelor's degree will be used. Applicants admitted based on the requirement to complete a degree in progress must still provide an official transcript within the first semester of enrollment at UNC showing their degree conferred and a GPA of at least 3.0. If the transcript showing degree conferred reports a cumulative GPA less than 3.0, requirements defined by the program will be added to the student's admission, just as they are for any admit with a GPA below 3.0.

Specialist degree applicants must take the following steps to be considered for admissions:

1. Complete the online applications and pay the non-refundable application fee.
2. Request one official transcript from any accredited college or university where a bachelor's degree or higher was earned or is in progress (if you have earned multiple degrees, bachelor's level or higher, an official transcript is required from each college or university where a degree was conferred). If you received a degree from UNC, you do not need to request a transcript from UNC. The Graduate School & International Admissions Office reserves the right to request that applicants provide official transcripts from other colleges or universities as needed. Applicants who have earned or are directly pursuing a higher degree from an accredited institution without receiving a bachelor's degree (e.g. PharmD) may be eligible to apply to the Graduate School without the conferral of a bachelor's degree. If an applicant intends to use Veteran's Education Benefits, an official transcript from all colleges or universities attended will be required in order to maintain compliance with Veteran's Affairs policies.
3. Official transcripts from U.S. institutions should be sent via mail directly from the educational institution in an unopened, sealed envelope or through an electronically secure digital program from the issuing institution.

Mailed transcripts should be sent to:  
Graduate School and International Admissions  
University of Northern Colorado  
Campus Box 135

Greeley, CO 80639

Electronic transcripts from U.S. institutions should be sent directly from the educational institution to: [grad.applicationmaterials@unco.edu](mailto:grad.applicationmaterials@unco.edu).

The Graduate School and International Admissions does not accept email, scanned, or PDF transcripts directly from applicants. All official transcripts, submitted as part of the application process, are retained by UNC and not returned to applicants or admitted students.

4. Your program may require other items such as letters of recommendations, GRE scores; please check <http://www.unco.edu/graduate-school/degrees-and-programs/> for specific program requirements.

# Doctoral Admission

Each applicant for the doctoral degree must:

- Possess a baccalaureate degree and/or master's degree, depending on the program, from a regionally accredited college or university,
- Submit three letters of recommendation confirming that the applicant has the ability to do doctoral work in the proposed discipline(s),
- Have a minimum level of achievement combining GPA and GRE performance.
- Submit GRE scores electronically through Educational Testing Service (ETS) so that testing date is less than five years from the date the application is submitted. UNC's institutional code is 4074.

Doctoral applicants meet the Graduate School minimum criteria for admission if they have:

1. Have a grade point average of 3.00 or better, on a 4.00 point scale, from the most recent degree earned or current degree in progress. If a master's degree is in progress, a minimum of 18 credit hours must be completed for the GPA of the master's degree to be used, otherwise the GPA from the bachelor's degree will be used. Applicants admitted based on the requirement to complete a degree in progress must still provide an official transcript within the first semester of enrollment at UNC showing their degree conferred and a GPA of at least 3.0. If the transcript showing degree conferred reports a cumulative GPA less than 3.0, requirements defined by the program will be added to the student's admission, just as they are for any admit with a GPA below 3.0.
2. GRE scores of at least 146 on the verbal, and 140 on the quantitative with a combined score of at least 297 and an analytical writing score of at least 3.5.

Doctoral degree applicants must take the following steps to be considered for admissions:

1. Complete the online applications and pay the non-refundable application fee.
2. Request one official transcript from any accredited college or university where a bachelor's degree or higher was earned or is in progress (if you have earned multiple degrees, bachelor's level or higher, an official transcript is required from each college or university where a degree was conferred). If you received a degree from UNC, you do not need to request a transcript from UNC. The Graduate School & International Admissions Office reserves the right to request that applicants provide official transcripts from other colleges or universities as needed. If an applicant intends to use Veteran's Education Benefits, an official transcript from all colleges or universities attended will be required in order to maintain compliance with Veteran's Affairs policies.

Official transcripts from U.S. institutions should be sent via mail directly from the educational institution in an unopened, sealed envelope or through an electronically secure digital program from the issuing institution.

Mailed transcripts should be sent to:  
Graduate School and International Admissions  
University of Northern Colorado  
Campus Box 135  
501 20th Street  
Greeley, CO 80639

Electronic transcripts from U.S. institutions should be sent directly from the educational institution to: [grad.applicationmaterials@unco.edu](mailto:grad.applicationmaterials@unco.edu).

The Graduate School and International Admissions does not accept email, scanned, or PDF transcripts directly from applicants. All official transcripts, submitted as part of the application process, are retained by UNC and not returned to applicants or admitted students.

3. Your program may require other items such as letters of recommendations, or GRE scores; please <http://www.unco.edu/graduate-school/degrees-and-programs/> check for specific program requirements.

The doctoral programs at UNC do not utilize quantitative rating systems and standard criteria weightings as sole determining factors for decisions concerning the acceptance of doctoral applicants. Quantitative information such as GPA or GRE scores is considered in combination with qualitative information derived from letters of recommendation, applicant goal statements, as well as past academic and professional accomplishments. Because of the specialized nature of doctoral work, it is incumbent on the faculty to utilize their professional judgment in determining to what extent a student is qualified for entry into a particular program. The information requested by each school or department upon which their decision is to be based, gives the faculty the opportunity to thoroughly and carefully evaluate the strengths and potential of each applicant.

# Graduate Certificate, Licensure and Endorsement Admission

Each applicant must:

1. Possess a baccalaureate degree from a regionally accredited college or university.
2. Have a grade point average of 3.00 or better, on a 4.00 point scale, from the most recent degree earned or current degree in progress. If a master's degree is in progress, a minimum of 18 credit hours must be completed for the GPA of the master's degree to be used, otherwise the GPA from the bachelor's degree will be used.
